Gloria:

Please talk to Bergner on March 31 and find out if he was able to sell the facility and close. I know that Pam decided for us to take it over but if it actually closes, I am going to ask my management to push the issue of allowing the PRP to complete. This is likely to be much more costly for us to do the work than the PRP because of their history on the facility. Our contractors have no history, and we would have to basically reassess before we could do the cleanup.

Thanks
